

Leadership Covenant

As a connected “partner” of Kingsway Community Church, I feel led by God to engage in the leadership journey, to serve God, His church and my leaders at a new level. I understand that leadership, at any level, requires a higher commitment, sacrifice and loyalty to the church I have been called to serve. I have signed the “partnership covenant” and now agree to the following expectations and desired outcomes for leaders at Kingsway Community Church.

We expect that each leader will live with high character and integrity. Each leader will endeavour to provide reasonable opportunities for training and personal development. We hold that the responsibility for a life demonstrating integrity and character belongs to the individual.

Every leader will be expected to honour the people of Kingsway Community Church, our facilities and people’s property. Negative and unconstructive critical talk, revealing attitudes of arrogance or insensitivity, will be treated as acts of unprofessional behaviour. Every leader is expected to be present punctually, to be competent, to avoid appearances of bad taste, to preserve the confidentiality of sensitive information, to be honest and to be of good spirit.

It is expected that you will have a vibrant and healthy spiritual life characterized by daily prayer, worship and bible study. Whilst a high level of professionalism is expected, being a leader at Kingsway Community Church is not a profession but a life calling, and as such you live this calling out of the life of the Spirit of God. It is essential that your spiritual walk be consistently on the cutting edge, growing and developing.

You are expected to attend the following meetings:

- *Whole Church Prayer Meetings*
- *Team meetings where applicable*
- *Inspirit Leadership nights and events*
- *Life Group / Leadership Cell*

Attendance at Encounters (church services) is required. It is expected that at the very least you will be on time to these meetings and preferable early. As a leader of Kingsway Community Church, our encounters present an opportunity for you to be ministered to, but also for you to minister to the wider body of Christ. Therefore, at encounters you are expected to constantly be on the lookout for areas where you may assist, serve, provide ministry and connect with new people.

It is expected that you are an active giver into the financial life of Kingsway Community Church. Your tithes should be 10% of your gross wage and then offerings should be given in excess of this as the Lord directs your heart.
